- This new season will be developed through six masterclasses addressing different aspects of private markets with the aim of fostering financial education.
- It will feature the participation of renowned professionals from prominent firms, such as Abac Capital, Arcano, Oquendo Capital, Cuatrecasas, Natixis IM, and Acurio Ventures.

Madrid, February 19, 2026. Crescenta, a pioneer digital management company in Spain for investment in private equity funds, has launched a new edition of its masterclass and interview program "Aprende y Crece". Throughout this season, users will be able to enjoy new educational content led by professionals and experts in the sector.

This **new edition** will be developed through six masterclasses in which different aspects of private markets will be addressed, from how private equity funds work, to investment in infrastructure and real assets, including debt in private equity funds, taxation and taxes in private equity investment and secondary funds.

All of them, conducted by Sofía Cisneros, Communications Manager at Crescenta, are conversations with renowned professionals: **Oriol Pinya**, Co-founder and CEO of Abac Capital; **Luis Arauna**, Head of Real Estate Investments at Arcano; **Daniel Herrero**, Founding Partner of Oquendo Capital; **Paz Irazusta**, Partner of Financial and Tax Law at Cuatrecasas; **Sophie del Campo,** General Manager of Natixis IM for Southern Europe, Latam and US Offshore; and **Ander Michelena**, Founding Partner of Acurio Ventures.

Ramiro Iglesias, CEO of Crescenta, highlights: "With this new edition of "Aprende y Crece", we continue to advance our commitment to bringing access to private markets closer with quality content. Our goal has always been to foster financial education and provide investors, both retail and professional, with clear and detailed information on key aspects of private equity, and what better way to do so than with leading experts with extensive experience in the matter".

In addition to the masterclasses, the educational offering of "Aprende y Crece" is complemented by participations in financial-themed podcasts, articles on key concepts of private markets, guides that develop these concepts in greater depth and personal interviews with different figures in the industry.
